## Microsoft Ending Support for IE 11

Microsoft will officially end support for its Internet Explorer 11 web browser on June 15, 2022. In order to provide the best possible experience while launching the GMS application, we are encouraging our client and user base to make the switch over to Microsoft's new Chromium based Edge browser. Instructions on how to enable GMS compatibility with the Chromium based Edge browser are located below.

## Instructions

- 1. Download and install Microsoft's Chromium based Edge browser from <a href="https://www.microsoft.com/en-us/edge">https://www.microsoft.com/en-us/edge</a>.
- 2. Launch the Chromium based Edge browser.
- 3. Type "edge://flags" into the address bar.

4. Scroll down to or search (Ctrl+F) the "ClickOnce Support" section.
